To Whom it May Concern

Re: Summit Concrete Pumping Pty Ltd

I am pleased to supply a reference for Summit Concrete Pumping Pty Ltd.

Our company first engaged the services of Summit Concrete Pumping in November 2012 for concrete works at Volkswagon Ringwood and have continued to use them for other projects since, most recently at Horne Street, Sunbury a centre consisting of a number of retail outlets.

I and my staff have found Summit Concrete Pumping's employees to be very professional on site and we have been happy with the works they have completed for us.

With regard to Maurice I have always found him to be pleasant and very easy to deal with and I would be happy to recommend him and his company to others.

If you have any further queries please do not hesitate to call me on 0419 892 517.

Yours sincerely,

Per
