Re: Summit Concrete Pumping Pty Ltd

To Whom It May Concern

Hansen Yuncken engaged Summit Concrete Pumping services in 2011 at the Glen Eira Sports & Aquatic Centre (GESAC) to place & finish concrete and screeding around the swimming pools and recently they completed concrete works for us at the Bunurong Memorial Park in Bangholme.

I have found Maurice and his employee's professional, proactive, and take care to ensure they complete their work to a high standard.

I would have no hesitation in recommending Summit Concrete for any project in the future.

If you have any further queries please do not hesitate to call me on 0412 752 022.

Yours faithfully
HANSEN YUNCKEN PTY LTD
