Dear Maurice

I'm writing to thank you on behalf of every Victorian for your role in the historic level crossing removals at North Road in Ormond, Burke Road in Glen Iris, McKinnon Road in McKinnon and Centre Road in Bentleigh.

The team's hard work and dedication to achieving the best result for the community will leave a lasting legacy on our city and state.

As the first four crossings to go, your efforts have set the standard as we get on and remove Melbourne's 50 most dangerous and congested level crossings by 2022.

Not only can you take pride in delivering this project in record time and through tough conditions, but also in helping make Victoria a more liveable, productive and safe place to call home.

Congratulations on a job well done.

Yours sincerely

The Hon Daniel Andrews MP
